MEMORANDUM

15 November 1951

TO: Bert Allen, Haddock Engineer
FROM: Robert Barker, Rad-Safe Monitoring
SUBJECT: DISPOSAL OF TOWER AT STATION 5 IN AREA 7

The tower has recently been monitored and found to be free of contamination. By copy of this letter permission is granted to use a cutting torch for purposes of disposing of the tower in a burial ground located 1 1/2 miles northeast at Station 201 in Area 7.

Only those portions of the tower remaining intact are cleared. All fragments or loose sections found in the area are to be considered contaminated and are not to be touched by a torch.
